“ Our family is so very sorry for your tremendous loss. I have many memories of chatting with Kim at RSPS. Her warm and caring personality was such a light. She was also so very kind to my children who are currently RSPS students. There are no words to describe your loss. Please know that we are keeping you in our daily prayers and are asking God to give you the strength you need.

“ We were so very saddened to learn about Kim's death. We knew her for many years at Resurrection-St. Paul School and she was always so caring and kind with all the children. When I volunteered in the nurse's office one year -- just to give Kim a 15 minute break so she could grab lunch -- I really enjoyed getting to know her better. She was so dedicated to her work. She will be deeply missed. -- The McCabe Family

“ We were so saddened to hear the news of Kim's passing. We were so grateful for the wonderful nursing care she gave our children, Allison and Scott, while attending school at Resurrection St Paul. We are forever grateful especially for the extra loving attention she gave our son, Scott while watching him grow up. She was always so patient and kind to him and all our family. She always gave me up to the minute reports on how Scott was doing at school and she cared not only for his medical issues but his general well being. And Scott always gave her a good laugh! I loved stopping into her office and just chatting. She always took time out of her busy schedule for others. The world will be a sadder place with her passing, but Heaven is more blessed with her presence. Kathleen and Thomas Seitz, Allison and Scott

“ I couldn't believe my eyes when I first read the post about Kim's services. I kept telling myself I must be reading it wrong. Kim was always a breath of fresh air and a ray of sunshine. She could brighten a room by just walking into it. I have nothing but great memories of Kim. Although our lives didn't cross after graduation, it was awesome to see her family pictures and posts and to visit with her at reunions. Kim was a huge part of the '79 class pride and my heart aches for all that feel the pain of losing her. May God wrap you all in His loving arms during this time and may you always recall all the amazing memories that were made with and because of Kim. Love, hugs and prayers. Danae Fields Buckson

“ So saddened by Kim's passing, to her family especially, please know she was a blessing to so many. I was reminded of our early elementary years playing & singing in the chorus. Her dedication to our class '79 at CRHS was above and beyond expectations, she helped so many of us over those years. Prayers of comfort to all of you during this time of grieving. Kim made this world a better place. Her legacy will live on through two handsome sons. May God bless all of you, Diane Maloney

Saddened by the passing of Kim, I will always have fond memories of the Nemith family, from the early years of little league, to the school years at CR, and for the many years thereafter. May Kim rest in peace, Dave DeWitt

“ As a co-worker of Kim's at Resurrection -St.Paul School, I can only say how sorely she will be missed. Through her years there, she and I had many wonderful conversations together. We shared a lot and she helped me through many trying times. She once gave me a little figurine that I've always kept on my desk and now I will treasure it more than ever. She was, without a doubt, one of the kindest, most loving and special persons I've ever met. My thoughts and prayers go out to her family and I can only hope that their wonderful memories of her will give them comfort during this most difficult time.

“ My thoughts and prayers are with the family. I am so sad to hear of her passing. I met Kim at RSPS in her role as school nurse. She had a capacity for kindness that others could only hope to achieve. As a fellow RN I admired and respected her skills and talents. I spent many hours chatting with her as a friend. The world was a better place with her in it. I was blessed to have known her.

“ My deepest sympathy to Kim's family and friends. She was a very giving, thoughtful, and caring friend to many in the Ellicott City area. I remember the summer she was acting nurse for the summer school program at Mount View Middle School. She and I had many conversations in those few short weeks and shared lots of laughs about teenagers, families, and being busy mothers and wives. She will be missed!

“ I am so sorry to hear of your loss. Kim was a wonderful person and a terrific RN. I not only had the chance to work with her when she was a nurse in Howard County Public Schools but also when she was the nurse at Resurrection-St. Paul School. She took excellent care of my children while they were at Resurrection. Kim may you R.I.P.
