“ Oh my! I was so saddened to hear about Mike's passing. I first met him during our service time in the early 70's. He and Bobbie invited me to dinner several times at their quarters at Rothwesten and Augsburg Field Stations in Germany. He was one of the few "lifers" that I, and many other one-termers, admired and respected. He used to regale us with stories of Sopor, Japan and Two Rock Ranch Station in California.

I remember visiting the family in 1976, while Mike was working out of NSA. We attended the Preakness, and Bobbie picked a 40-1 shot in the first race. I still remember to this day the name of her horse. It was "Caressing." We toured the Annapolis area afterwards. The events of that day have always stuck in my mind as something wonderful.

We kind of drifted apart over the decades, but I still think of him from time to time, and always smile. He will be missed, but alive in the memories of his family and friends.

“ Words seem inadequate to express the sadness we feel about Mike’s passing. The Cross family is here to support you in your grieving process. With sincere sympathy

Mike held a strong sense of duty and honor to his family, his friends, and his country. He instilled that virtue in his family and friends.

Family was very important to Mike. He was a devoted son to his Mother and Dad, Brother and Sisters. If there was a need, he saw it and he was there to make things better than they were. If there was a want, he did his best to fulfill it.

The Beebe family should walk strong, and tall, remember to take the hand of those around you. Carry his legacy and hope that when the day comes that we meet him again. Those that Mikes leaves behind can say, "We never doubted we were loved".
