“ I recently met Shirely, we shared a room at the local hospital. I have been trying to make contact with her for a couple of months. The folks at physical rehab told me today, she passed. In the brief time we talked I knew she was a great lady and was looking forward to sharing more chats with her. I'm so sorry for her family and friends.

“ We wanted to send a card, but could not find an address, so I just want to say how much we at Caroline Hospice depended on Shirley and enjoyed her company. ...for many years she served the people of Caroline County faithfully in that capacity....we are so proud to have known her. She surely has her crown in heaven, she will be missed.

“ My sympathies go out to Shirley's family. I will always remember the feisty little red-head with whom I had lots of fun going to Cape May, shrimp dinners at Hurlock Legion, volunteering at CHF, and, mostly, being on the same bowling team for several years. May she rest in peace. Sincerely, Bernese Todd
