“ I first met Sylvia when I was a candy stripper at Kent General. She was who I wanted to be...a kind, loving and compassionate nurse who loved her job and the children she cared for. After I started to work at the hospital as a nurse, I loved to sit down (when we had time) and talk to Sylvia. I made sure that she was invited to the KGH Retirees Luncheon every December hoping to see her again. Mark, you were her greatest love and she was so proud of you. My deepest sympathy on the loss of a wonderful lady...she will be greatly missed by everyone that knew her.

Those that we LOVE live in our hearts forever.
