“ Dearest Family,
Where do I begin? Jackie was part of our family for over 40 years. He has spent many holidays & family get togethers with us throughout the years, especially many late Christmas Eve nights putting presents together for Charles & I. He is now at peace & rest with his beloved "Bunk" and other family & friends. Jackie truly loved and will be missed by us all.###imported-begin##Glenn###imported-end##

“ Our thoughts and prayers are with Aunt Linda, Cindy, Cody, Lauryn, and the rest of the family. We had so many fun times and great conversations. Even though Charlie knew him for a short time he thought the world of Uncle Jackie. He will be greatly missed and I will never forget hearing his voice when I walked in the house when he said "there's Dawny Pooh". Love you!!!
