“ *In a time like this you never know what to say. All of our hearts are broken. Amanda Bear we had so many good times, and you picked me up and put me on the right path more than a few. For someone so young, you had a world of knowledge, and a heart of gold. I had never in my live met such a dedicated friend, student, and co-worker.*

You have taught ME so many lessons, that when you put your mind to it you can do it. Working at C & D all those hours of overtime, and then going to school to be a straight A student... You my friend are the reason why I started school, (but you already knew that).

Everyone of us who you stepped into their lives are blessed because WE were able to know you, even if it was such a short time. Your smile and your Bright sparkling eyes when you laugh, I know God has made you His SPECIAL ANGEL. I bet you'll be in charge of all the children in HEAVEN.##imported-begin##Becky Jarboe##imported-end##

“ My heart was very heavy to learn of Amanda's passing from this life. I spoke to her last at the end of the school year. She was an excellent teacher and was very a great role model for her students.

She had a great smile and a wonderful laugh. The last time I spoke to her we shared a laugh.

Regretfully I am unable to be at her service since I am out of town. My thoughts and prayers go out to her family and to her other friends and hope they find comfort in the many memories that Amanda has left all of us.##imported-begin##Brenda McCann##imported-end##
