Just like this butterfly Andy, you are free to fly where ever you want to now. You will forever have a special place in my heart. I will miss your visits, our talks & especially our laughs. You were seriously one of the sweetest guys I have ever known. I know you will be watching over my family & I cause you promised me that when the good Lord decided to take you home, you would do just that. So, I'm counting on you. Rest in Peace Andy. You may be gone from this earth but you will never be forgotten by me. To Andy's family - I am extremely sorry for your loss. My heart goes out to all of you. He was an extraordinary man!!!

“ My dear sweet Andy. You were one the kindest and compassionate men I have ever known. You were always helping the elderly sharing your joy of life with them! When I first met you in 1994, little did I know I would fall in love with you but you made it easy. We shared so many joys in life like our honeymoon to Hawaii, our camping trips and all those walks on the boardwalk or just sitting and enjoying each other. You gave me happiness that I thought was gone forever! Life sometimes seems unfair but one thing is for sure, I loved you then and my love for you never stopped! May your soul rest in peace until we meet again. MY LOVE FOEVER
