“ *Especially To Phyllis, Bucky and Faye,  
Just wanted you all to know you are being thought of and prayed for. Your parents were the finest neighbors anyone could ever ask for. They understood what it really meant to live in harmony and never failed to lend a helping hand.  
Please know that I would be honored to assist in any way you need.  
Just let me know what I can do. Love, Dawn Chase*

*I remember Annie being cheerful and smiling. We were often at the same church conferences and meetings and we both loved our churches. She was the same age as my husband.*

*Annie was apart of our household for many years. My Mother Betty Gibson, thought a lot of your wonderful Mother. They also attended the Ladies group, Joy, together at the Greensboro Baptist Church along with Mildred Tunneff. Sorry for your lost. Sending prayers.*
