“ *Kelly, so sorry to hear about your mom. We shared lots of laughter chasing after you and Lora...trying to keep up with you girls. She was a wonderful, caring person. Heaven just got to be a better place with her presence.*

“ Dear Kelly and family, We were so sorry to hear of Barbara's passing. We worked together for many years at Lake Forest North. Even ride-sharing when all our children went there. She was always on time, I was always running behind. Her love and compassion for her family, friends, co-workers, and students will be remembered always. God's blessings, comfort, and grace be with you during this time. Sincere condolences. Gloria and John VanNess

“ Barbara and I were best friends in high school. I spent lots of days and nights at her house. Her mom was my mom and my mom was her mom. We had LOTS of fun times, including bouncing a VW in front of the Frederica luncheonette. Rest in peace my dear friend. Peggy (Kates) Furlong

“ To Barbara's family: We are so deeply shocked and saddened of this news. Barbara was a very special client of ours. We did her tree work when needed. She was one special lady. She always invited us to swim in her pool and eat chicken and dumplings with her after our job was complete. We will miss her so very much. We will keep her family in our thoughts and prayers.
