“ *Barbara always stopped and loved my garden..I dedicated my garden to her. I feel ashamed that I complain about my life...when I can walk..and cook..and have someone to care for me.....I read Barbaras FB page. Wish I had known her better.*

“ *Such a sweet lady. Always smiling no matter what. We last saw her at a garden party in late June. I know she was not feeling her best but she came with a smile on her face and a compliment for everyone. She was full of grace and courage. Rest in peace Miss Barb.*

“ Ms. Barbara lived across the road from me in American Corner for many years. She always enjoyed visits from my three boys when they were little. She was so cute and funny, I always knew when I went for a visit I would be there for hours. We grew apart, but I would always know her voice immediately when I saw her in town. She will be missed.

“ I've known Barbara a few years. I met her through the Living at Home Waiver program. I remember her spirit and desire to live as full a life as possible. She would also visit at the Health Dept., where I currently work, so I was able to keep in touch with her after leaving the LAH program. We shared stories about our cats when I would visit and I was always impressed with her determination to do as much as she could for herself. Joy L. Patchett

“ Hi Ruth, Just found out of Barbies passing. She was an inspiration to me... She was always happy in spite of her disability. We had fun when she would come up to visit.. She would love to come to church. She loved the Lord... We have great memories from the past. Sorry for your loss... Heavens gain.. We love you... Eileen Shreckengast .

“ *Barbara was the personification of perseverance and success over disability. She got around more and had a fuller life, during the time I knew her, than many people I suspect. She went everywhere in and around Denton and would often let me know if she saw something somewhere that needed attention. She was kind and thoughtful and didn't let life get her down. Denton is a poorer place without her.*

“ *Barbara will be truly missed in the Town of Denton. She was always concerned about others and had a heart for everyone. She was a great customer of the businesses downtown and we appreciated her business. She truly believed in shopping local and wanted to support all the small businesses. Nothing would stop her from getting where she wanted to go. She guided her wheelchair all around town and always had a greeting for everyone she met. We had many laughs together and we are grateful God put her in our lives. She is a true angel from God.
All of us at Patti's Petals Florist, Gardens and Gifts will miss you Barbara!
Until we meet again.....Patti Wood*

“ I remember my first experience with Barbara and family was when I was 10 years old she came out to visit our new home on Pinder Hill RD. I had so many questions as my grandmother died 4 years before I was born I knew so little about that family. Ever since Aunt Barb planted a seed of family history. She never ceased to amaze me what a young woman can do from a wheelchair with her funny looking hands. She gave me a gift to never take people at face value they are never limited with the power of Jesus.

“ Miss Barbara..rode past my house on 5TH Ave. every day. She would stop even if I wasnt in the yard to chat, just to look at my yard and flowers.She would tell me she couldnt wait to see what I was going to put on my little tree, out front, for every Holliday. I loved talking to her...Her challenges never stopped her from being happy. Never stopped her from smiling and being nice to others. I picture her now..walking ..dancing...and running ..free of her scooter..free of pain.. And I picture her smile, bigger than life...because now she knows...who shot J.F.K.!. Barbara..you will be missed...your friend, Maria Weaver

“ I think of that little girl whose family came to pastor our church. She and them becomes so much of a part of my growing up years. Barbara was very dear to me. She loved my Dad and in my mother closing year she faithfully kept in touch. My deep condolence to her mother. Ruth was a very faithful mother through life. Barbara was blessed with Godly Parents, may the Lord bless the family as they go through these trying days.

“ Barbara was one of the most courageous people I know. Although we were away from each other, we were always close friends. We loved to share memories of the years when she & her family lived here in Crisfield. (She remembered a lot more than I do.) I will miss talking to her and seeing her at our class reunions, but she will always be with me.
