“ *When my daughter, Kelly, was growing up Bonnie was like a second mother to her. I recall at Britts and Kellys Graduation Bonnie glancing at me and giving me a thumbs up, as we were both so proud of our girls that day.*

“ *I am so sorry to hear of Bonnie's passing. I came to know her very well when she was at Pines with my sister Rebecca Parry. Bonnie was almost always upbeat and friendly. I loved to joke around with Bonnie even have a photo of her holding her legs with Halloween stockings on them. You couldn't help but laugh with her. Right now my sister is in Easton Hospital with pneumonia not doing too well, but just waiting to go back to The Pines. I don't think I am going to tell her this just yet. I pray that Bonnie is at peace and the family can rest assured that they did everything possible for her.*

“ *To my oldest sister Bonnie there are so many things we have been through together, happy, sad, fun, interesting, we always knew we were there for each other. Like the time you were playing with a lighter and caught my bangs on fire, you were right there to smack it out with your hands. That was a close one. The time you asked me to plug a tape recorder in and turned it on, so I would get shocked, you were there helping me to my feet. My favorite is when you would make me stop the car, because pink Catilic came on the radio so you could dance in front of the car. You will always be in my heart. Thanks for being there for me. I'm proud that we are sisters. I just hope I can be half the woman you were. Love your baby sister.*
