*Catherine is a cousin just four months older than me. When we were young, we always enjoyed time together at all of the family gatherings. We made mud pies really good, because we put some of grandma's chicken eggs in them. She and Jerry came to Greeley to stay with my brother and me; sometimes we stayed with them on the farm. Aunt Goldie made the yummiest frosting for graham crackers for all of us. Of course, it had home-made butter and cream with the powdered sugar and vanilla. Memories are special, and I cherish these. In my mind we can still be the young girls and brothers that we were. For Catherine's family, enjoy the memories and fun times that you all had together. Be proud of yourselves for loving her with the wonderful care you gave her. Blessings for all of you, Dorothy Benner
