“ I served with Charlie for a lot of years in the Nat. Grd. at the Chestertown Armory. On 1 particular AT (anual training for 2 weeks) he showed up at our camp site and everyone hid the beers, lol, fearing that we might get ratted on.....after a while I pulled him to the side and asked him if he would like a beer.....He smiled at me and said "Damn right I want one, that's why I came out here to your site because i know that the "Mortar Platoon loves drinking".....He then said " Everyone seems kinda uptight since I have been here but I know yall have alcohol....Hell the whole Battalion knows that, lol.....I really like you Spc. Phillips ( i was an E-4) at that time) because you are the only one to man up and offer me a beer"...and ever since then Charlie and I were pretty good friends.....I miss those days a lot!!!!
