“ *Buster, I miss you so much. Life will never be the same without you. I know you loved me to the moon n stars and back. I also know you fought to stay with me as long as you possibly could. I hope you heard me when I told you I loved you so much in your ear. All through the good times and the bad I always knew you would be there for me. I hope my heart doesn't always feel so heavy. I will cherish your memory for the rest of my life. Since you passed away I catch myself calling out for you. I love you, I love you, I love you for eternity. Until we meet again in heaven. I know you are with our son.....*

“ Poppop Buster was more than a grandfather, he was my best friend. I wanted to go where Poppop was. I wanted to always stay over his house as a child. I remember staying up all night with him trying to beat the hardest level on super Mario eating shredded cheese from the bag, to riding on the tractor down Henderson road. So many memories that I will forever cherish. Xoxo
