“ I remember sitting in the break-room Denton State Hwy Shop, listening to Charlie's Dad Spike, telling stories about his Kids. He and Miss Charlotte were so proud, they had the best but Little Charlie was their little pistol. We know Mom, Dad and Charlie are together happy and healthy. My prays go out to Charlies' entire family. God Bless Nancy Hall

“ We have fond memories of Charlie coming to our rescue when our new home was being delivered weeks early, and Charlie was there with a backhoe to get our lot ready. We couldn't have done it without the help of our neighbors.

“ Charlie was like having my first son. We hunted, fished, snow skied in the Poconos, we did a lot together. Charlie also worked for me but most of my memories with Spike were in baseball. Charlie was a natural born ball player. As far as I know he still holds the homerun record in Greensboro L.L. with 18 . Charlie you will be missed by many & we will never forget that ongoing Smile.
