“ *We were so terribly sorry to hear of Chiquita's passing. She was apart of our son Ryan's class for many years. This is when she resided in Elkton, MD. I hope someone is able to relay this message to Chiquita's family. She was a beautiful young lady, that brought much joy to all our lives. Ryan still takes out her school picture and talks about how much he misses her since she moved to the eastern shore. Shorehaven staff would also bring her to our annual spring egg hunt each spring.##imported-begin##The Shuler Family##imported-end##*
