“ Hey Ralph...

Words can not convey the sorrow and sympathy that I feel for you and your family. If your brother was anything like you, I'm sure that he was a great person.

Always know that whenever you see a beautiful sunrise or sunset, that Chris is in a place 100x more beautiful; he is whole, happy and in the presence of God.

Although losing your brother here on this earth has broken your heart; you will see him again, and knowing this will ease your pain in time.

Please accept my sincere condolences and know that I am thinking of you and your family; keeping you in my prayers.##imported-begin##Tracy Miller##imported-end##
