“ Dear Elsie, I was so sorry to see the news of Brud's passing. He was quite the man right up to the end! I can still see him moving around at Caroline in his wheelchair with that old fishing hat on and always in a happy mood. He was such a supportive volunteer to our Meals on Wheels Program here in Caroline Co. for so many years, and always went way beyond in his attention to the people that he served. I shall also remember the rides on the pontoon boat, and one in particular. It was fall and he, MaryLou and I started down the river for our ride. The water was covered with fallen leaves, it was cold and crisp out that day, and the river looked beautiful with all those fall colors floating on the water. Whenever I see the river like that it will make me think of Brud. He was a talented, friendly, wonderful man, and I shall miss him. You and your family are in my thoughts and prayers at this sad time. Hugs to you.

Fondly, Blue

To the Embert Family: Mr. Brud will surely be missed at the Centreville High School Alumni yearly dinners. He was always a faithful supporter. He and my father (William T. Harris, Jr.) graduated together in 1933 and had many laughs and told alot of jokes at their reunions. My prayers are with the family at this time and may God be with you during your difficult time. “ Dear Ms Elsie, So sorry to hear of Brud's passing. He had lived a long life. I was always welcomed at his house with Kay and Patti. Remembering trips to get ice cream, it sure was good. I will keep you and the family in my thoughts and prayers. God Bless you all. Love to all.

“ I met Brud at D&B Tavern seven years ago, not knowing that he knew my entire family from Queenstown. He touched my life in so many ways with his stories of when he was serving our country and when he was a young man growing up in Queen Anne's County. He would tell his stories about men I knew as a young girl and whom had passed on "Charlie B", "Chalk", Charlie" men who were important in my life and who I will always miss. But somewhere along the line Brud had become important to me also. I will miss you my "old" friend, but we will meet again to tell all those old stories again. Rest in peace Brud. I love you!
