“ I would like to send my regrds to the Nashold famiily for my sistem Frances Silcox Clendaniel. .She taught in Greensboro the first years after graduation from Wahington College. Greensboro became her town. and that year she met the wonderful family of Nasholds.. Until she died at age 96 last year that family enriched her life. Jack Nashold ,Mrs Tribbets brother visited her many times.always bringing a bit of poetry written for his former English teacher. I feel she would like me to express to this family at this time a thank you for manking hr life a special time. Please pass this on to the family this week. Mrs Tribbet was just a few years younger then me with a wonderful family we all remember. I helped my sister sort the many English papers as a little girl and I remember searching thru to read those interesting papers of fJack Nahold and hisr brothers from her English class in Geensboro. I hope this adds to the bright side of life for the family at this sad time. Please pass my thoughts to them for me. I read about Jack's sister death in The Star today.
