“ My thoughts and prayers are with you Jill, your mom and all your family. I will always cherish our first Thanksgiving at SWA and you and your beautiful family invited me over so I wouldn't be alone. I saw that day meeting your parents what an incredible family you had. I have always been grateful to your mom and dad for making my first Thanksgiving away from my family a special and fun Thanksgiving.

May you all have peace knowing you dad is healthy and without pain.
