

David Ebersole III

September 21, 2023

David “Dave” K. Ebersole, III, passed away peacefully at home on September 21, 2023, at the age of 68 after an extended illness. Dave was born in Baltimore, MD and spent the majority of his adult life living on Kent Island, MD, before retiring to Philippi, WV. He was the jack of all trades. He was a carpet mechanic, spending 5 years owning his own business together with his wife, specializing in carpeting for yachts throughout Delmarva. There wasn’t much he didn’t know how to do, but his most favorite title was simply, Poppy. He enjoyed riding his Harley motorcycle, playing music, especially harmonica, and spending time with family and friends. During his musician years, he played in a band called Spincycle, and opened for Foreigner and Edgar Winter. Shortly thereafter, he played with The Inhalers. Dave is survived by his wife Jo, whom he lovingly called “Joey” and their four children; daughters Jami Morgan, Tracey Kent, and Kellee Schultz, and their son Jacob Ebersole, as well as eleven grandchildren; Skylar, Nicholas, Reagan, Hayden, Lily, Cain, Morris (V), Reilly, David (Buddy), Jacob and Conner. Per Dave’s wishes, a funeral will not be held, however, a celebration of life will be planned for family and friends. In lieu of flowers, donations can be made directly through this link to help family with the cost of cremation: <https://www.davisfuneralhomewv.com/obituary/DavidDave-EbersoleIII>
