“ Aunt Debbie you will be sorely missed. You left a lasting place in my heart and memory of love, hands-on care, your sense of humor & straightforwardness. You were one truly wonderful woman. The world has lost a strong, beautiful soldier but heaven is rejoicing her homecoming. Love, Krista.

“ Aunt Debbie was one of the most stubborn and loving women that I have ever had the pleasure of being around. She has been the rock for so many in the family and it truly hurts my heart knowing that she is no longer here. I hope that John, John, Scott, Jason and Danielle and the rest of the family find comfort in knowing that she is no longer suffering and she is finally reunited with her beloved Doug.

Aunt Debbie you are loved and missed beyond measure. Until we meet again, say hi to Mom-Mom and Aunt Fannie for me.

Love,

Brynn & Family

“ *Mommy Debbie always had kids that I helped with. She was the one who taught me how to change diapers and how to love a child unconditionally. She kinda prepared me for being a mom. She was my extra mom! I will love and miss her very much! Thank you for everything and for being a big part of my life. Fly high angel!*

“ *John, Scott, Jason, Little John, Monica and Danielle - please take comfort in knowing our girl is no longer sick or sad. She is with God and all of our family who have gone before her. The best tribute to her is to continue and always let your family know you love them, no matter the differences that we all have periodically. I know her heart and her heart if with all over you and will always be with you.*
