“ *Miss Della I have so many precious memories that we have shared over the years. Sometimes sad where we cried so hard we thought our tear ducts had dried up. And then there is those where we laughed so hard we thought our bellies would burst. I've always had the most respect and admiration for u and you are a beautiful woman inside and out. I loved our times on the beach with those beautiful grandchildren and aunt sissy. Your memories and stories will stay with all that knew u sweetheart. And your will be missed for an eternity. We love you soooo much. Mom mom Barb and family.*

*Della Lou was my neighbor for many years on Benton Corner Rd. We had a joke that she was the Mayor. She never met a stranger and would give you her last dime. I think her biggest joy in life was her family. I am so glad for the memories we made.
