“ The first time I saw Carol was when she started attending Greensboro Baptist Church back in the late 60's. I was a teenager then, and my first thought was, "She is the most beautiful woman I have ever seen." I later found out she was not only beautiful in looks, but in her heart as well. Through the years as our paths have crossed I always left feeling truly blessed by her friendship, faith, love for others, and passion for the Lord. She has made a difference in so many lives. Praying for you, Lenny and family.

“ Carol was an angel in disguise for sure....she sensed I needed help once at a very low point in my life and organized a grocery party for my family and I....had she not obeyed the voice of the Lord, my family and I may have gone hungry...this was the heart of this precious lady...my love and respect for her and her family was underlined in the sweet Holy Spirit of God....was never and will never be another Carol...so deserved is your Heavenly walk beside the Lord, now!
