Denise Marie Covert

9/29/55-5/15/24

Denise M. Covert, 68 years old, passed away in the early morning hours of May 15th at KGH, surrounded by her loved ones.

Denise was born to the late George Covert and Mariette Painter in North Carolina. She was the kind of caring person who liked to help others. We all agree with her sister that she had a kind heart that everyone will miss. Denise was always smiling and in a happy mood! She loved to laugh and act crazy! She liked to go fishing and get scratch-offs. Denise loved to shop and go to the beach. She collected Mickey Mouse, Precious Moments, and frogs. She loved to go hear music play, dance, and sing! Denise liked going to the slots and to the Nascar races. She was a Pittsburgh Steelers fan. She loved her animals: Crybaby, Toto, and Bluebird! Most importantly, she loved to be with her family! Denise worked early on at Technitrol then at Saulsbury Bros./Hanover Foods.

She is survived by her spouse of 40 years, Harry Lister. Her son, Shayne Kurtz, and wife Dee of Hartly. A daughter, Niesha Burris, and husband Gene of Goldsboro. She was a Gammy to many grandkids and great grandkids. Denise was preceded in death by her son, Chad Kurtz, her father, George Covert, and her mother, Mariette Painter.

Sending prayers out to Harry and family & also her sister that she would talk about alot and dearly missed seeing her! That was my girl she would say your

fu——g crazy and I love it then would let out a big laugh of hers that would make me laugh. Denise would always say Lisa were not just best friends were sisters too! We laughed so much until tears was coming out of our eyes! We sure had alot of

Memorable memories that nobody could take from us! The last time we hung out was at the beach we had a blast! She had a heart of gold but don't piss her off cuz she would show you the other side she can be in a minute! She loved her kids and she loved some Harry Lister it didn't matter good days or bad days she would take up for Harry cuz that was her man! Lol

Denise I'm really going to miss talking and seeing you girlfriend! I love you, you will always be in my heart Denise R.I.P. until we meet again!

I'm so sorry I couldn't be at your funeral I was scheduled for surgery that morning didn't help Neisha wouldn't give permission to come the day before and you wasn't gonna be happy about it neither.
