Diane and I would talk on occasion at her place of work and last talked at the 45 year reunion. She often kidded about my never asking her out on a date. I jokingly said, "Can you imagine if we ever got together and had kids, they probably would have been the ugliest kids you have ever seen, lol>" I will miss Diane and her kindness and friendship.

“ I have known Diane for years. Always came into the deli. She always had a smile. When I would come to scrap metal her and I would talk for a long time. So sorry for your loss. Prayers to all of you. She will be missed by many. Barb Christopher

“ I haven't seen Dee-Dee in years, but the few years that I spent with her she was very kind to me and would make you laugh when you needed it most. I was very sorry to hear about her passing. May God give you comfort during this difficult time.
