“ *I just heard about Don's passing today. He was a great friend and fellow classmate at Sherwood High School in Sandy Spring, Maryland. He was a great and comical leader of a group of guys who loved his jokes, his quick wit, and his friendship. He came very close to getting us all into a lot of trouble on numerous occasions. He sounds very much like many of us who continue to contribute through commitment to our careers, our community, and our family. My sincerest thoughts and prayers to the Holmes Family, Sam Steel, SHS Class of 1961.*
