“ *My deepest sympathy to the Buckle & Blunt families on the loss of "Ginny".*

*She and Louis looked out for my Aunt, Viola Smith, during the time she was their neighbor and assisted her in many ways. I don't know what I would have done without them on many occasions while I was caring for Viola - they kept me abreast of what was happening. They were both exceptional people.*

*Ginny and I hit it off right from our first meeting just like we had known each other our whole lives. In fact, we called ourselves "sisters from another Mother". We could talk about anything and everything without a thought. I have missed our conversations but I know she is in a better place with those who went before her.*

*May God give you peace at this most difficult time. My thoughts and prayers are with you all.*
