“ You are the best sister anyone could have asked for. You were always there for me when I needed you. You always guided me when I needed it, though the past couple of years I've wondered off and lost respect of sum or most of the family memebers you were there for me. You never judged me cause I was adopted you didn't care, I was just your little brother. You let be be a uncle to all the kids, though i ws never there i feel i need to be there now if needed. But aleast I can remember all the good times we had like you taken me to see ghostbuster 2 and so on. Since it was broke to me that you passed i've carried a heavy heart, I'm heartbroken all over again tears can't show the pain I feel but I know that each day goes by it will get easier for me to come to terms with it... At god speed... I love you...##imported-begin##Thomas Glover (Her Baby Brother)##imported-end##
