“ I just saw this and found out I graduated from NCHS in 1968 with Earl. I remember him as being quiet, yet he seemed to know the answers to a lot of questions asked by our teachers. Sorry for his loss of this classmate. Condolences to his family.

“ Buddy was my Dad's first cousin, but he was closer in age to me. My sister, Barbara, and I had many fond memories of our summers in Henderson, MD. Buddy was a typical, slightly older boy...teasing us and spying on us while we visited. I'm glad we met our Maryland family. I'm sorry I couldn't visit more often. I pray cousin Buddy is one with God and in His light. Susan Salage Oda (Orange Beach, AL)

“ Buddy was my mother’s first cousin but was close to my age. We lost contact for many years and reconnected about 8 years ago via phone. I will miss our great conversations filled with Dobraski family news and stories and am sorry that we didn’t get the chance to visit in person. Rest in Peace, dear Cousin and friend - you will be greatly missed.

“ Blessed to have been related to you Bubba ❤️ will always remember your unwavering love and dedication to family and Busicks church as well as sharing stories of family history . Laughing at our conversations about you seeing me in Downtown Dover with your father knowing I was your cousin in my basketball uniform and you wondering why I was so much talker then you if I was only 2 months older then you . Boy how we’d laugh at some stories when you would come visit . May you be able to look down and continue to love you family and all you’ve accomplished from above 🙏. Rest in Peace 🌹 Bubba
