“ *Brenda and Kathy;*

I'm so sorry for your loss! I feel like I knew your mother almost as long as I knew mine. One of the fondest memories I have is Ocean City in 1981, when Kimberly was Little Miss Easton. Both our moms and us spending a few days at the Beach while we were waiting for the Fireman's parade.

“ *Kathy and Brenda,*

I was so sad to read of your mom's passing. I know you must be devastated and your heart aching. As Nurses and Daughters you both gave so much to make her remaining time meaningful. I am sorry that I will not be able to celebrate her life on Sat as I have an out of town commitment. Please know you are in my thoughts. I have such great memories of being at your house when we were in school. And was thrilled to reconnect with your mom when she worked at CHIC.
Take care.

“ She never changed. Always kind and caring. Aunt Ellen was a tremendous support to mom. I'm sure the two of them had the floor plan to Peebles memorized. I always enjoyed the times I would see her either at mom's or at family functions. Aunt Ellen had the knack for knowing what to say and how to make you smile. She made everyone around her feel a little bit better.

“ That is such a beautiful picture! I feel so blessed to have had Auntie Ellen in my life. She gave me joy, laughter and love. She was so very special to me. Our phone conversations ended with me saying "I love you" and she would giggle and say I love you too! Thank for making me feel like a daughter. You will never be forgotten. " I love you"

“ May you all be comforted and kept in the Lord's hands during this time. I used to work with Eleen at Chesapeake Head Injury when she worked the midnight shift at the Rancher. She was such a wonderful person. She will be missed. God bless.

“ Oh Kathy I had no idea this was your Mom. I just loved her. She was in my fitness class at Talbot Sr Center since I began teaching there 3 years ago. She was always there, never missed a class. She was truly a very special lady and I miss her so much. She had a lot of friends in that class. Sending my deepest sympathy to you and your family at this difficult time.
