“ My memory of Evie will last until the day that I die. She & Don were good friends with my parents & when they past on we remained friends. Helped me when I was in need . I had missed a lot of work being a caregiver for my mom and she came to my rescue. She was the most thoughtful, kind, & loving, Human being. Can't think of anyone that could top her. Always had a smile, a joke, & never a bad word about anyone. Just a wonderful person. I will always love you "Evie Darlin". My condolences to the family. I know that you will miss her so much. A little woman with such a big heart!

“ How we will miss our sweet 'Evie Darlin' with beautiful smile and heart full of love! And let's not forget the dancing and serenades! She called many of us on the phone and sang sweet hymns to us...just when we needed it most! A ray of sunshine to all of us...But we rejoice with her now as she is with her beloved Savior. Our prayers are with her family at this time. She was a blessing to us all.
