“ *Mom-Mom was the best!! She always had a story, a joke, a lesson for you to learn. She made the best coconut cake, blueberry buckle and gave the best presents - Nilla Wafers (my favorite). There wasn't a summertime growing up that we didn't have some flavor of Homemade ice cream (her recipe is on my fridge). Her love for her family was out of this world and I know you are missing her dearly. Just know she is with Pop-Pop and they are enjoying the love they had for each other once again. I love you all!!*
