“ *Today is a very sad day in my life! I will now have to say goodbye to my best friend. I will miss my early morning phone calls, 6 a.m., our times that we shared at Post#19, drinks and playing the machines, we always had a great day! You were a friend that one could count on, never spoke bad about anyone, always a kind word. I will miss you dearly, but now you are at peace with no more suffering, I love you Frannie*
