“ *I was so sorry to hear of Fran's passing this week. Fran was my assistant when I worked at the Maryland Port Administration about 25 years ago. She was always the sweetest, most thoughtful person, approached every task with a positive attitude, and was a pleasure to work with. My prayers and sympathies to her family and friends. May all your memories of Fran's goodness bring you peace and comfort.*

“ I have known my sister Fran all my life...all 73 years of it. She was always there for me. Since I was 11 years younger my mother would never object when Fran and her Best Friend Laura Ann Mellor traveled and I went along. She made sure I saw live theatrical musicals, plays and movies. { She saw 'The Alamo' 15 times me once} We loved traveling by train to places like New York for the World's Fair (It's a Small World) and Christmas to see the Rockefeller Christmas Tree and SHOP! Our last trip was an ' All Girl week' in Charleston SC. with my daughter Vickie and me. I paid for train tickets and she paid for the hotel. She always wanted to pay when we out to eat...that was Fran. And boy did she like to go out and eat! I will always remember our last visit to the Pines. She was the 'old' Fran. Her skin was radiant with no eye bags. She knew who I was and we talked about old times...Like that three legged television in our room at the Waldorf! We laughed about it hard! I know she is finally at peace. Love you Fran!!

“ So sorry to hear about Frannie’s passing. I had the privilege of working with her for many years. She was such a kind person. Each month she would bring me a book of “daily” prayer readings for that month. I know she’s at peace!
