“ Hello Deborah and Family,
I just wanted to send my respects and thoughts to you guys. As you know Frank and I go way back in time. He always made me laugh when we got together. Our paths never crossed on any jobsites together in our electrical careers, but we shared our experiences when we met up. Our only rivalry was Archbishop Curley for Frank and John Carroll for me. It was great to see him at our reunion last year.
I hope your family finds comfort in each other and the memories of a life well lived that Frank leaves.

To all of those who knew this great man,
I am wondering if this is the same Frank Mancini USMC that I was in grade school with at Immaculate Heart of Mary through 8th grade? We were buddies back then until we moved on to high school. We both served in the USMC 1st Div. Marines at the "Arizona Territory" and "Dodge City" areas of Vietnam in the late 60"s. I was also a member of LU 24. In any case I am sorry to hear of Frank's passing.

God Bless You
