“ *My heart goes out to Goldie, the children, the grandchildren, and everyone who knew Frank . He was such a wonderful person, he was a gentle giant, he brought happiness to everyone on a regular basis, it just came natural to him. His personality was truly unique.*

..He was a shining light. You couldn't not be happy when Frank was around, in his quiet way he would make everyone in the room happy. I've known Frank for 32 years and I just want to thank him for all his kindness and the joy that he gave not just to me but to everyone. I will always miss you Frank as I know so many people will.

Sincerely, Peggy Krause

Frank was a great guy who always had time for everyone. He and his brothers kind of looked out for me when I was growing up in Denton. We were friends all my life and I always enjoyed being around him. My sympathy and respect to all his family. Bud Pine
