“ *We are saddened to learn of the death of Cousin Franklin Cherry. Frank was surely a faithful attendee of our King Family Reunions at Camp Mardela. We think he held the current record for attending the most consecutive reunions!*

*We also associate him with Aunt Mary and Uncle Roy's farm which was a delightful place for our family to visit when we were growing up.*

*We are grateful for the loving care provided by his niece Mary during this difficult convalescence after his accident.*

*We pray for the comfort of the Lord to be the experience of the Cherry family.##imported-begin##Eleanor Z. Ruch##imported-end##*
