Such a kind and gentle soul. I'll never forget when I first moved to Caroline County. You were my daughters bus driver and she thought the world of you. I often felt as if you were a second father to her. Everyday it was Mr. George this and Mr. George that. Often times you would tell me what a blessing it was to have Heidi on your bus and how she helped you by being eyes and ears. You made a lasting impression on her and for that I'm grateful.

“ *We have lost a great man with a lot of spunk and kindness. George was always giving me a challenge and enjoyed the fact it was right there in front of us! I looked forward to his monthly visit and will miss him very much. His visit became a great way for us to catch up time on family (especially his grandkids and my little Abby), friends and just local gossip, imagine that. Rest in peace George and know that every time Abby rides her little Oliver petal tractor I will think of you!*

“ *I am so sorry to hear of your loss. When I experienced the loss of a loved one, I found great comfort the words of Jesus, at John 11:11, where he likened death to being asleep, and his words at John 5:28,29: "All those in the memorial tombs will hear his voice and come out." For further comfort, I turn to the website: www.jw.org.*

“ *I spent quite a few years sitting in the seat behind Mr. George and talking on the way to school and coming home and being his eyes and ears to help keep the other kids safe on the bus. He even joked with me about getting my CLD class A and driving for him after I graduated. He was a great guy and very caring, and he'll be greatly missed. Love you Mr. George.*

“ We were so sorry to hear of George's death. I grew up in Goldsboro, too and have known him for a long time. Through the years our paths did not cross until recently. When my grandchildren started Greensboro School I started seeing him on the bus. We would exchange greetings. I had not seen him lately and wondered where he was. He will be greatly missed. Our thoughts and prayers are with his family. Sincerely, Glenn & Judy (Fraser) Wright

“ Just found out about George's passing. Very sad indeed. He was surely a great guy and someone who was so great to be around and joke with. A very sincere person whom stayed a true friend for the last 25 years or so since I first met him. We thoroughly enjoyed talking about Olivers and farming. I will surely miss him and the fun we had together whenever I seen him. A great friend and a true friend, that was George. My condolences to the family and so very sorry.

“ Mr. George was one of the most amazing and talented men I ever had the pleasure to know. I worked with him for about 10 years at Greensboro Elementary School. We used to talk everyday when he came in to get his paperwork from the office for the bus. He was a very kind and caring man. It was obvious that he cared about each and every student that got on him bus. When I left the school I missed those daily talks and I will miss him at the wheat thrashing this year. Always seen him there. Rest in peace Mr. George, you have worked hard your entire life and deserve that.

“ *Mr. Elliott has driven my kids to school since they were all in Kindergarten and they are all 9, 10, and 12 now. They shed some tears for Mr. Elliott when they heard the news. He was very special to our neighborhood kids and we will miss him terribly.*
