“ Evelyn

I was so shocked to hear about Bennie. I have not seen him in many years, but while doing the Green/Rollison genealogy for my 2 kids, I thought of Aunt Maude and Bennie often. My prayers are with you and your family and Betty Jean!##imported-begin##Joyce Benton (Green)##imported-end##

“ Evelyn and family: I was so very sad to hear of Benny's passing. I could always count on him to keep me company on Saturdays while I was working. Benny was very proud of his children and never missed an opportunity to tell me about them and their many accomplishments. I will be unable to attend the service tomorrow as I will be working. I hope all your memories of Benny will hold you close and help to comfort you in the times to come. I will think of him often and with great fondness, he was truly a kind and gentle man with a great love of family, a wonderful sense of humor and his love of music. With deepest sympathy, Brenda Tryon##imported-begin##Brenda Tryon##imported-end##
