“ *Flo, Colette and all of the family, I am so sorry to hear the news of Jerry's passing. I've known him since he was 10 years old. He was then known as "Little Jerry". He was such a nice kid and turned into a really nice man. It has been my pleasure to watch him grow over the years. I am sending my prayers that you have peace during this time. Hugs to you all.*

“ This man will be missed by many who's lives he has touched. He was funny, kind and generous to my family and I will forever remember that. The first time I met Jerry was at a hospital in Baltimore, when we were visiting his son John who was a patient there. We decided to go get something to eat and he took us to Lexington Street Market and bought me my first true Lexington Street hot dog.
I'm sorry that I we sort of lost track to him and his family, but for the short time I knew him and was around him he was a great man that any family would be proud of.
My condolences to his wife Flo and family. You are in my prayers and in my heart.
