“ My heart is with all of you today as you celebrate the life of Aunt Gladys. She was one of a kind. Always positive, always with a smile and her sweet soft voice. She always greeted us with a smile, a hug and held a conversation where she was always interested. She will be looking down on all of you and the rest of us making sure we are doing right. Her laughter was one of the most real laughs I have ever heard. Our thoughts and prayers are with you today and every day. Love you!!
