“ Linda and Lisa,
I have known Hazel my entire life and got to know her through the Goldsboro Methodist Church. I will always remember her energy, positive attitude, smile and her love for her family. Every time I saw her, she would mention my husband Bud helping Lisa with Trigonometry in school. My thoughts and prayers are with you both.

“ *I've known Hazel and Lawrence Hignutt literally as far back as I can remember! Grew up in church with them and have so many fond memories. I've lived in Tennessee for 48 years so would only get to see them when I was visiting family. The last time I saw her, she was still the cheerful lady I had always known! May God comfort you in your loss as you continue on your journey to be reunited with them and the Lord.*
