“ I am so blessed to have had you as my Grandma! I remember all of the school field trips you went on with me. I also remember staying with you when I was too sick to go to school, we would watch Little House on the Prairie and Shirley Temple, it always made me feel better just spending the day with you. You taught me so much while I was growing up and I am thankful for all of the memories I have of you. I love you and miss you so much! You will always be in my heart! I know you are happy to be with Jesus and you will be looking down on us all until we all meet again!
