“ Aunt Helen was such a sweet and loving person. She has done so many for me in my life that have meant so much. We have spent many hours just talking and making each other laugh. She was always willing to just listen if I needed her to. She was always such a family person and right up to her last days she was always asking me if she could help me with anything. We are going to miss the smile that she always had when walked in door to see her and Uncle John. She will definitely be missed but neve FORGOTTEN!!!
