*I will always think of the times we spent at Aunt Addie's with all the girls and with my young cousins when we were kids. It was also so meaningful to spend time with Ruth, Ann, Vermie and Helen at my grandmother's canning events and picnics. I also remember playing the organ with you and Georgie at Aunt Aggie's and Uncle Dick's. Thanks for being part of my childhood memories and a constant reminder that even though my last name might be Angstadt I would always be one of the Reed girls. Thanks for sharing your mom, grandmother and aunts with me. I will always treasure those memories.*

*Love to all
