“ Oh Dad.....soon it will be one year that you have been gone from my life. The day you died my whole life changed and has never been the same since. I miss our 2 hour daily conversations,I miss your smile, your laugh, your endless jokes. I miss the way that no matter what I always had you on my side. I miss telling you about all of the new things that Maven says and does and the things that are going on in Morgan and Bradys life. I could go on and on about all of the tings I miss. I would give anything to have just one more minute with you. You are and always will be my hero. I love you with every ounce of my soul and I will continue to miss you until the day we meet again. I know that day will come because you told me it would. I love you Dad!!!!##imported-begin##Your Daughter##imported-end##
