“ My dear Jack - precious brother and friend, prayer warrior, and godliest man I have ever known. So much I have learned from him! His prayers carried us with love straight to the throne of the Almighty. What a privilege to have had him in my life for these years...always ready to listen, advise, laugh, and love no matter what. A piece of my heart is in heaven with you, dear friend.

“ The death of a love one is very painful. The wonderful memories with your love one is a fore gleam of what God has promised. The God of all comfort promises to bring you even more comfort in 1 Thess. 4:13, 14. There it explains if we have faith, we also have hope. My condolence to the family.
