“ *I have many happy memories of Mr. Butler and the Greensboro Hardware. He always greeted you with a big smile. We took our little boys Joey and Shawn to the store on many Saturday mornings and we roamed around the store while my husband Jim and Hugh chatted. He knew what the Farmers Almanac said about the best time to plant your garden without fear of frost. Some folks liked to go in just to hang out and visit with Mr. Butler, while sipping on an ice cold bottle of Coke. My memories are fading but I think I'm remembering a brother Jim working with him.*

“ *Mr. Hugh was a great man and a good friend to my dad. Childhood memories include going to the hardware store and drinking a coke while they chatted. Going to the bank and seeing Mrs. Peggy afterward. Thru the years seeing him in the community always with a smile and a wave or a story. I wouldn't trade these memories for the world. Hoping future generations will have a few sweet memories of people in their hometowns or neighboring towns! Sympathy extended to Peggy and family as well as family and friends. Always take a moment to become a memory in someone's life and you will live forever! With love!*

“ I am so saddened by this.... I have known Hugh and his family my whole life. He was my neighbor all of my childhood. I spent a lot of time at his house, Steve and I were childhood friends. He will forever be in my heart ❤️ Many prayers for his wife Peggy and the family. RIP Hugh 🙏🙏🙏🙏
