“ Irene and I worked at Fairhaven Nursing Home in the 70's. Gina was a baby at that time. We became close friends. I was so sad when she moved to Maryland from Florida. 20 years later I moved to Maryland and we reconnected. I remember laughing with her, talking about old times and the chance of reconnecting again. After I returned to Florida, we lost contact again. However, she was still on my contact list and still in my heart. I am very sorry to hear of her passing. I send my love and blessings to Gina and her family. Irene will always be in my heart and considered a wonderful friend.

“ *Although I only knew Irene for just a couple years, I couldn't help but love her like a mom, she has been the best mother in law a guy could ever ask for. She welcomed me into the family with open arms. She was more giving than anyone I know. Even when she had nothing, she would find a way to give. God took a good one home and I know she is walking with the Lord and smiling down on Gina, Larry and her family. She was very proud of all of them and loved them very much. She will be missed extremely but I know we will all meet again at God's side.*

I have so many fond memories of her from the time I was 12 years old, but the most memorable are her kindness and that one in a million giggle. Thoughts and prayers for each of you. Godspeed Miss Irene.

“ *One of my favorite memories of my sister is when I was 16 and mom, Carol, Laurie and I went for a visit and Irene cooked dinner, now I can't remember exactly what we had but I do remember mashed potatoes! Now, Irene said the best part of leftover mashed potatoes is eating them cold with miracle whip! The next day we eat it like that and it was good!! I still eat it like that now, however I use low fat mayo and it still tastes great!!*

“ To my Beautiful sweet mother..oh, how I miss you already. It has only been days and the pain of knowing how long it will be until I see your face again is unbearable. To hear your voice and your laugh one more time...your quirky laugh, how I loved it. I loved our special 1,2, 3..kiss, kiss, I love you, hang ups on our phone calls...no matter where we were...let me tell you, I would get some strange looks in public places. SO many "little" things...that NOW, mean SO, SO much. You truly had a heart of GOLD. You would give your last \$5 so that someone would not go without. You would go buy food when you knew someone was in need. I am proud to be your daughter, and proud you were my mom. I could go on and on about your kindness but all that knew you already know....until we meet again.
